

Well, if we're going to open up a gate, we could even head to where Vampirio came from...

Re... are you sure about that? This power was meant to turn the humans back to normal-

Thanks to the magicians, we've managed to accumulate enough power to open up a gate.  
With this, we can evacuate everyone to the Imperial Capital.

It's fine. I'll figure out something for Vampirio-chan.

Don't fret about it too much. Right now, everyone's lives come first.

Hwahh...!!

You're looking to go overboard again, aren't you...?

Are you well?

Alright, you can help out leading them here too.

Hurry and get everyone over here.

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years. If you love my releases, please consider donating at [KissCake.com](http://KissCake.com) to support our livelihood! All proceeds go towards offsetting her medical fees. Thank you very much for reading!

This feels like... a gate?

No way!

The barrier hasn't even been broken yet! How did they get in-

Az-Azalea-sama!

The castle's defense wall just...!

Oh my, this snow...

I got it now.

Uh...

Looks like I managed to make it in this somehow, huh?

This person knows about me...?

Dragon Boy.

Looks like you're pretty cornered now, huh?

TL Note: She literally calls him "child of dragon".

M-m...  
She looks  
like her,  
but that's  
not her...

The previous  
generation's  
Red the world  
king...!!

Believe  
with that's  
impossible

Just when that  
Red the world king  
and she exposed  
the flames of life  
to give birth to the  
next generation

Both mother  
and daughter  
cannot  
simultaneously  
exist

In that  
case, this  
person...

You  
certainly  
know what's  
book.

Yup,  
figuring.

Setting  
up a girl.  
There, I  
see.

Shunova  
Have you  
heard of me?  
Dragon Boy

Just  
who are-

*C'est  
moi.*

The first  
generation's  
Red Heavenly  
King had an  
older sister.

So she  
was like?

It can't  
be... Is  
it really  
true...?

L... I had  
heard of  
her once!

!

Leave this  
candle to me  
for now.

I've come  
to help  
you out.

But that's  
really not  
a big deal.

Right now,  
we need to  
do something  
about this  
situation.

I'll  
exterminate  
them all  
myself.

I'll  
demonstrate  
my power to  
those hordes  
of monsters.

I think you  
realize already,  
but my abilities  
are practically a  
minor image of  
Vamirio's.

Doing so  
will stop the  
mutation's  
progression.  
The treatment  
will come after.

I'll evacuate  
them through  
the gate I just  
went through  
to a place  
where this noise  
won't fall.

No need to  
worry about  
the people  
who showed  
symptoms of  
mutations  
either.

The one who  
needs your help  
the most right  
now is that child.

and quickly  
head to where  
Vamirio is.

So go ahead  
and use the  
gate that  
you set up

Even I cannot predict what kind of an outcome she will bring upon herself beyond this point by trying to keep him alive.

Helios is a danger.

That child chose the path to keep Helios alive.

Yet because of that, this is how everything turned out. She's in great pain right now.

However, even so, there's no doubt that he's an important existence to that child.

Vamirio is still young.

Dragon Boy.

Most certainly.

Please lend your hand to that child.

*We're going  
to reinforce  
the Four  
Heavenly King  
Vamirio!*

*Open  
the  
gate!*

*Listen up,  
everyone! I'm  
entrusting the  
command of  
this place to  
Shun-ri-ri-ri  
here!*

*Those who  
can still  
fight, come  
along with  
me!*

*Don't  
worry.  
I have  
first-hand  
experience.*

*Then, allow  
me to give  
you one piece  
of good news.*

*Orp  
is that  
right?*

*The level  
between the  
curse and  
your people's  
techniques  
is vast.*

*Keep  
your wits  
about you.*

*Piwi's  
singing  
voice*

*is a means  
to combat  
the curse.*

He's  
probably  
a little  
separated  
from Vamrio,  
but still  
close by.

Vamrio  
has Piwi  
with her.

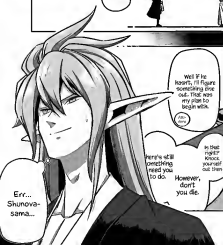

He lost  
his pointer  
and greatly  
shrank.

Seek  
him out  
first.

You  
"think"?

I think.

Err...  
Shunova-  
sama...

Well if he  
hasn't, I'll figure  
something else  
out. That was  
my plan to  
begin with.

Well, even if he  
hasn't grown,  
it should still  
have an effect.

That  
depends  
on Piwi's  
growth.

He's still  
something  
need you  
to do.

However,  
don't  
you die.

In that  
right? Know  
yourself  
out then

The  
growth  
of his  
spirit.

Fire the  
arrows...!

Vanguard  
Force, attack!

It's  
working!

No  
mistake!

Well  
then, I'm  
counting  
on you  
guys.

You mysterious  
little moans  
with the power  
to drive away  
chaos.

Yggdrasil's  
little moans.

Sing,  
little  
moans.

If that curse  
is the power  
of dark, then  
Pier's singing  
voice is the  
power of  
light.

It will slow the  
progression  
of any powers  
that are not of  
this world.

As long as you  
sing, the power  
of destruction  
will weaken.

Wish for the  
harmony that  
you love.

Sing,  
sing,  
little spirit  
born of  
Yggdrasil.
